GST	Not charged
Final amount payable	S\$36,800.00

Important: This document explains **why the labour-only quotation is priced at S\$36,800.00**. It is **not** a material or fabrication quotation. The pricing is driven by module count, full-height install volume, technical hardware zones, service coordination, visible-finish requirements, and site-adjustment risk.

Cost breakdown by floor and item

The item rates below are labour allocations based on installation complexity, visible finish requirements, and on-site fitting effort.

-1F breakdown

Item	Amount (SGD)	Why this pricing
Guest room installation labour	S\$1,800.00	Built-in platform/bed carpentry with vent-hole detail, LED-related coordination, and more assembly than a normal bed frame.
Guest room pocket-door wall cladding installation labour	S\$900.00	Separate cladding/door-opening finish work requiring on-site alignment and clean panel fitting.
Laundry room installation labour	S\$3,600.00	High-difficulty full-height cabinetry with Blum pocket-door system, stacked washer/dryer integration, ironing-board zone, and sequence-sensitive fitting.
Maid room installation labour	S\$900.00	Compact built-in platform/storage scope with lower technical complexity than the main bedrooms.
Corridor wall cladding / door surround installation labour	S\$1,500.00	Site-finish carpentry with wall panels, door-surround details, control-panel openings, trimming, and field adjustment.
Public bath vanity installation labour	S\$700.00	Smaller carpentry quantity, but vanity fitting needs careful coordination around the basin/mirror zone.
Staircase cabinet / under-stair special carpentry installation labour	S\$4,700.00	Most difficult basement item: irregular under-stair geometry, multiple stepped modules, appliance/service zones, shelves, and exposed visible faces.
-1F subtotal	S\$14,100.00	Subtotal for this floor based on labour-only installation scope.

1F breakdown

Item	Amount (SGD)	Why this pricing
Shoe cabinet installation labour	S\$1,200.00	Full-height built-in cabinet wrapping the opening with bench/base components and visible alignment on all sides.
Chinese kitchen installation labour	S\$3,300.00	Substantial upper/lower kitchen run plus tall fridge tower; tighter alignment tolerance than bedroom cabinetry.
Western kitchen installation labour	S\$3,100.00	Full-height kitchen wall with appliance tower, top grille/storage section, and precise openings around excluded stone/appliance zones.
Island platform carpentry-base installation labour	S\$1,400.00	Freestanding island base with multiple visible sides and stable leveling requirements.
Island + dining integrated carpentry installation labour	S\$800.00	Additional carpentry tied to the island-dining composition and finish alignment to the main island.
Corridor wall panel installation labour	S\$900.00	Tall flat paneling at the corridor/lift zone with clean plumb alignment and edge finishing.
TV cabinet installation labour	S\$900.00	Long low TV cabinet and shelf installation; priced for the cabinet scope shown in the 3D reference.
1F subtotal	S\$11,600.00	Subtotal for this floor based on labour-only installation scope.

2F breakdown

Item	Amount (SGD)	Why this pricing
Grandma's room installation labour	S\$1,200.00	Complete small bedroom set with platform bed, wall/headboard treatment, wardrobe, and shelf/TV ledge.
Son's room installation labour	S\$2,300.00	Large built-in composition with full-height wardrobe, platform bed, study desk, long shelf, and overhead storage.
Son's bath vanity installation labour	S\$500.00	Compact floating vanity / mirror-cabinet carpentry with modest volume but custom fitting.
Daughter's room installation labour	S\$2,100.00	Built-ins combined with technical coordination: concealed details, service-access thinking, bed/study/wardrobe composition, and tighter fitting.
Study installation labour	S\$1,100.00	L-shaped worktop, upper cabinets, secondary storage wall, and more technical fitting than a simple study desk.
2F subtotal	S\$7,200.00	Subtotal for this floor based on labour-only installation scope.

3F breakdown

Item	Amount (SGD)	Why this pricing
Master bedroom installation labour	S\$2,000.00	Technical bedroom feature joinery with tighter site alignment and integrated visible detailing.
Master wardrobe / walk-in wardrobe installation labour	S\$1,300.00	Fine fitting around wardrobe accessories/service zones and more intricate internal setup than a plain wardrobe.

Item	Amount (SGD)	Why this pricing
Lockers / storage installation labour	S\$300.00	Smaller 3F storage component with limited quantity compared with the master-room items.
Main bath vanity installation labour	S\$300.00	Small vanity carpentry allowance for the 3F main bath zone.
3F subtotal	S\$3,900.00	Subtotal for this floor based on labour-only installation scope.
